Sector – Retail

Number of employees needed – 2. Full time and Part time positions available

We are looking for enthusiastic individuals that enjoy working with the public in our retail location. The duties will include greeting clients, recommending our natural skincare, packaging teas, packaging products, and general retail duties. Training will be provided along with staff discounts and product sampling. Social media knowledge and being bilingual in French would be assets.

Sector – Retail Assistant Manager

Number of employees needed – 1 Full time position available

We are looking for an enthusiastic individual that enjoys working with the public and has managerial skills. The duties will include greeting clients, recommending our natural skincare, packaging teas, packaging products, and general retail duties. Duties also include assisting in the management of other staff, answering client calls, basic administration, handling wholesale client orders, and other tasks as needed. Knowledge of retail stores, basic computer skills, and social media knowledge are assets. Previous management experience and being bilingual in French would be assets. Training will be provided along with staff discounts and product sampling. The Chamber Health Plan and life insurance package will be included in salary.
