

MAGNET

Job Matching Platform for the New Brunswick Job Market

nbjobs.ca/magnet

Why Magnet for Job Seekers

- ✓ Serves as a 24/7 recruiter, providing notifications for jobs for which you are pre-qualified for.
- ✓ Eliminates bias by keeping your personal information hidden until a connection to an employer is made.
- ✓ Integrates other job boards across Canada into your job search.
- ✓ Available in both French and English.
- ✓ Connect with employers from your local community; from across New Brunswick; or Nationally – Your Choice!
- ✓ Automatically leverage your diversity with employers looking to increase diversity within their workplace.
- ✓ Receive messages notifying you of Job Fairs or services available that are targeted to your skills.
- ✓ Manage and track all your job applications in one place, no matter where and how you applied for them.

For more information, contact your [local Employment Office](#).

Matching Talent and Opportunities

nbjobs.ca/magnet

Get connected to opportunities in 5 easy steps

1- Register or Login

Visit nbjobs.ca/magnet, select your community from the drop-down list and create your account as a job seeker.

2- Setup your Profile

Let the guided process take you through the steps of building a profile with your skills that make you stand out.

3- Get Matched to Opportunities

Set your preferences and get notified when you match to available opportunities; or explore the job boards for self-directed job search.

4- Review and Apply

Review your matched opportunities, apply to those that interest you, and keep track of all your applications right in your profile.

5- Get Notified and Communicate

Employers interested in your application can communicate with you on the next steps of their hiring process.
